CINCINNATI (November 5, 2014) – The *Cincinnati Business Courier* named The Urology Group a finalist in the 2014 Best Places to Work competition, alongside other leading organizations in the greater Cincinnati region.

Now in its 12<sup>th</sup> year, the Best Places to Work program recognizes regional companies that take employee satisfaction to the highest level. “We’re very conscientious about creating a great work environment because it ultimately benefits our patients,” said Dr. Gary Kirsh, president of The Urology Group. “Our employees are a critical factor in our success, literally serving as the face of our organization.
