

## THE UROLOGY GROUP RESEARCH INFORMATION FORM

The Urology Group is one of the leading clinical research centers in the country in the area of urology. This is both positive for our patients and society as a whole. By participating, you may receive novel new treatments and closer monitoring of your condition. You are routinely not charged for these services during your study participation and are commonly compensated for your time and travel.

If you would be interested in participating and would qualify for a specific trial, we would like to call and discuss additional information with you. Signing below shows your interest. We will contact you or you may also call us at (513) 841-7550. You may request a list of our studies by calling this number or by going to our website at [www.urologygroup.com](http://www.urologygroup.com) and clicking on the clinical trials section.
